OBJECTIVE

Curious mind with a passion for modern web development. Skilled in the MERN stack (MongoDB, Express, React, Node.js), aiming to create smooth, scalable, and user-focused applications while growing continuously.

EDUCATION

B.Tech in Computer Science and Engineering

Thakur Shivkumarsingh Memorial Engineering College, Burhanpur (M.P.)

CGPA: 6.21 (Till 7th Semester) | Year: 2022 – 2026

Class 12th, M.P. Board

Modern Higher Secondary School, Burhanpur (M.P.)

Percentage: 88.2% | Year: 2022

Class 10th, M.P. Board

Modern Higher Secondary School, Burhanpur (M.P.)

Percentage: 91.2% | Year: 2020

SKILLS

Programming Languages:	Java, JavaScript
Frontend Technologies:	HTML, CSS, React.js, Bootstrap, Material UI
Backend Technologies:	Node.js, Express.js, JWT
Databases:	MongoDB, MySQL
Concepts:	OOP, OS, DBMS , CN
Soft Skills:	Problem-solving, Team Collaboration, Quick Learning

PROJECTS

Food Delivery Website | [GitHub](#)

- Developed a responsive food delivery website using the MERN stack (MongoDB, Express, React, Node.js) with a user-friendly UI.
- Implemented user authentication, cart system, and order checkout workflow using JWT and REST APIs.
- Built features like restaurant listing, menu display, add-to-cart, and order tracking for smooth user experience.

Social Media Web Application | [GitHub](#)

- Built a full-stack social media web application using the MERN stack.
- Implemented secure user authentication using JWT, protected routes, and role-based access.
- Developed core features such as creating posts, deleting posts, liking posts, and managing user profiles.
- Designed responsive UI using React to ensure smooth user experience across devices.

Video Conferencing Web Application | [GitHub](#)

- Built a full-stack real-time video conferencing web application using MERN stack.
- Implemented real-time audio/video communication using WebRTC and Socket.io for signaling.
- Developed features like room creation/joining via unique meeting links and multi-user connectivity.
- Integrated chat functionality and screen sharing to enhance collaboration experience.
- Ensured secure communication and user session management during meetings.
